

FIRST AID FOR FASTER RESPONSE

Prepared to support all types of medical emergencies - our range of first aid kits, supplies, and equipment deliver fast, reliable support when every second counts.

FIRST AID KITS

First Aid Kits can be located alongside other emergency equipment, designed for:

- Faster emergency response
- Safer, organised response points
- Clearer access to first aid equipment

FIRST RESPONDER STATIONS

The First Aid Responder Station is an all-in-one emergency response solution, designed for:

- Protected, ready-to-use first aid supplies
- Fast access to essential equipment
- Secure, tamper-resistant storage
- Instant response at the touch of a button
