

SITEHUB®

THE ALL-IN-ONE SOLUTION FOR SITES

Self-supporting, weather-proof and built to last, SiteHub keeps critical safety equipment protected, visible and always accessible on site.

One central point for safer, more organised sites

Meeting Point

First Aid Station

Fire Safety Hub

H&S Documentation

Notice Board

SITEHUB®

- Organises essential equipment - easy to find in an emergency
- Maximises visibility of safety information and critical items
- Supports first aid, safety and site information in one place

(Equipment displayed on SiteHub sold separately)

SITEHUB® MINI

- Keeps all mandatory safety equipment in one clearly visible location
- Perfect for smaller sites where space is limited but compliance is critical
- Built to withstand tough site conditions with minimal maintenance
- Configurable to match your specific site requirements

(Equipment displayed on SiteHub Mini sold separately)
