ENVIRONMENTAL POLICY AND SUSTAINABILITY STATEMENT OF INTENT

Bull Products is committed to reducing the impact of its activities on the environment and assisting our customers by encouraging them to use sustainable resources. To this end the company has implemented an environmental management system to continuously improve its performance with a strong commitment to protect the environment.

To meet this, the company will pursue the following objectives:

- Carry out management review to continually improve our performance
- To ensure compliance with all applicable environmental legislation and regulations
- To reduce emissions and prevent pollution
- To improve waste management practices
- To minimise consumption of natural resources
- To minimise noise and other nuisances
- To continuously assess its environmental performance

The necessary resource will be allocated to assist the company in meeting its environmental objectives and targets.

The company will manage and maintain an Environmental Management System which complies with ISO 14001:2015.

Bull Products Ltd is committed to promoting sustainability. Concern for the environment and promoting a broader sustainability agenda are integral to Bull Products professional activities and the management of the organisation.

We aim to promote and follow good sustainability practice, to reduce the environmental impacts of all our activities and to help our customers and service partners do the same.

This Sustainability Statement is based on the following principles:

- To integrate sustainability considerations into all our business decisions.
- To ensure that staff are fully aware of our Environmental Policy & Commitments and are encouraged to implement and improve it.
- To minimise the impact on sustainability of all office and transportation activities.
- To make clients and suppliers aware of our Sustainability Policy and encourage them to adopt sound sustainable management practices.
